4 Litres

KEBS STANDARDIZATION MARK

SM#59036

PRODUCT DESCRIPTION

This is a premium grade Acrylic Base Emulsion with an attractive hard wearing matt finish suitable for interior and also exterior surfaces. Cloud Paints Vinyl Matt can be directly used either in plaster and wooden surfaces as well.

SURFACE PREPARATION: Surfaces must first be thoroughly cleaned free from all dust and Grease objects for a better result.

NEW SURFACE: Cloud Paints Undercoat is advisable to prime the surface before using the top coat of Cloud Paints Vinyl Matt Emulsion and must be sanded properly for an Absolute Acceptable finish.

PREVIOUSLY PAINTED SURFACE: The surface must be sanded properly for an Absolute Acceptable finish before using the top coat of Cloud Paints Vinyl Matt Emulsion.

CLEAN EQUIPMENT WITH CLEAN WATER
Drying time: Touch dry in 1 hour and can be re-coated in 3-4 hours.

APPLICATION: STIR WELL BEFORE USE: Cloud Paints Vinyl Matt Emulsion can be applied by brush, roller or spray equipment. For first coat on porous surfaces, ease of application and for spray application paint can be thinned with 10 to 15% clean water. Avoid over-thinning.

SPREADING CAPACITY: 10-12 Square Metres per litre on smooth, non porous surface. Spreading capacity will be substantially reduced on rough textured surfaces.
