AREAS OF APPLICATION

Cloud Ruff**TEX** Texture paint is a 100% acrylic texture paint, It incorporates mould resistant biocides for long protection life and can be applied on Plaster, Cement Rendering, Block Work, Cement, Stone, Bag-Washed and Fair Faced Concrete. It may also be applied to Timber, Glass and Aluminium. Its high consistency and filling properties allow it to hide the imperfections of the surface of any wall.

TECHNICAL INFORMATION

Finish: Matt High Build Textured finish.
Application: Apply using a stainless steel trowel. For finishing and texturing, a special finishing tool (stainless steel trowel, special Plastic trowel or comb) is required depending upon the textured finish (like circular, Horizontals, Vertical).
Thinning: Cloud Ruff**TEX** is supplied ready for use & should not be thinned**. (BEST APPLIED WHEN WET). STIR THOROUGHLY BEFORE USE.**
Drying Times: Surface Dry: 4 Hours. **Hard Dry**: 24 Hours**. Max. Hardness**: 7 Days.
Spreading Capacity: Depends upon the thickness and texture size & may vary with the type of surface 10-11 sq. meters per 30kg @ Film Thickness 1 to 1.5 mm.
Equipment Cleaner: Water.
Colour range: Inbuilt 24. Regular over 5,000 shades
Available textures:1mm,1.5mm,2mm,2.5mm,2.5mm and 3mm
Pack Sizes: 30 kg & 5 kg.

SURFACE PREPARATION

All surfaces must be thoroughly cleaned and free of all dirt, loose and flaking paint. Efflorescence or mould must be treated before application of paint. New concrete, mortar or cement render must be allowed to cure for 4 to 8 weeks depending on concrete thickness and drying conditions. Fill holes with grouting cement. Wash down with water using a stiff brush to remove all loose material. On porous surfaces, applying a priming coat thinned with water (4 parts Ruff**TEX** Texture: 1 part water) will condition the surface and help aid application of additional coats.

Precautions:

- Protect from rain for 24 hours after application.
- Store container in upright position, with lid tightly closed, in a cool, dry place.
- Keep out of the reach of children and away from food, drink and animal feed. May be harmful if swallowed. In case if ingestion seek immediate medical attention.
- Do not pour leftover paint down the drains or in water-courses. Contain spillage using sand or earth.
